

AMENDMENT FORM

Suggestion for amendment of Article : I-16

By Mr : Hain

Status : - Member -

1. OK.
 2. The areas for supporting, coordinating or complementary action shall be, at European level:
 - employment
 - trans-European networks, except for promotion of interconnection and interoperability of national networks as well as access to such networks
 - consumer protection
 - industry
 - protection and improvement of human health
 - education, vocational training, youth and sport
 - culture
 - civil protection.
 3. OK.

Explanation (if any) :

2. *Repeated amendment: We have added employment, trans-European networks, except for aspects dealing with inter-operability of networks, and consumer protection to make clear that they are supporting actions, rather than a shared competence.
Sport is a new competence: we are still looking at the details of this.*
