1. Every citizen of the Union shall have the right to participate in the democratic life of the Union.
  2. *Okay.*
  3. The Union institutions shall maintain an open, transparent and regular dialogue with representative associations, including those of local and regional government, and civil society.
- 

**Explanation (if any) :**

*On paragraph 1, we have again made clear that this right extends only to citizens of the Union – this is particularly important in this Article as it is conferring a right. To paragraph 3, we have added the importance of maintaining dialogue with the regions.*
