Article 34: The principle of ~~participatory democracy~~ democratic involvement¹

1. Every citizen shall have the right to participate in the democratic life of the Union.
2. The Union institutions shall, by appropriate means, give citizens and representative associations the opportunity to make known and publicly exchange their opinions on all areas of Union action.
3. The Union institutions shall maintain an open, transparent and regular dialogue with representative associations and civil society.

¹ Democracy as such cannot be qualified; thus, I object to the term “participatory democracy”
