**Suggestion for Part I**

**By Mr : Vytenis Povilas Andriukaitis**

**Status : Member**

---

**Add the word ‘confessional’ to the title of Article 37:**

**Article 37:** The Status of churches, **confessional** and non-confessional organisations

---

**Explanation (if any) :**

*The title of Article 37 is narrower than the scope of the Article itself which speaks not only about churches and non-confessional organizations, but also about confessional organisations, i.e. about ‘religious associations’ in Part 1.*
