Status : **Member** **Alternate**

In defining and implementing the policies and activities referred to in this Part of the Constitution, the Union shall aim to combat discrimination based on sex, race, ~~or~~ ethnic or social origin, religion or belief, disability, age or sexual orientation.

Explanation (if any):

This amendment serves to achieve optimal consistency between Part II (particularly Article II-21) and Part III of the Constitution and to remain close to similar definitions in international treaties (e.g. Article 14, European Convention on Human Rights and Article 1, ICERD.)
