

AMENDMENT FORM

Part III -Chapter III: Employment Policy

Suggestion for amendment of Article : III-92

By Members: Mr Andrew Duff

Article III-92 (ex Article 125)

The Union and the Member States shall coordinate and promote employment policy, in a way consistent with the broad economic policy guidelines, with the aim of ensuring full employment, a skilled, trained and adaptable workforce and labour markets responsive to economic change.

Explanation:

For the sake of clarity and comprehension as well as policy coherence, the three convoluted articles on employment policy can be synthesised neatly into one sentence. This revision is consistent with the changes proposed in Part One.
