

FICHE AMENDEMENT

Proposition d'amendement article 30 (parti II titre B)

Déposée par Anne Van Lancker

article 30.2

Humanitarian aid operations shall be conducted in compliance with the principles of international humanitarian law, in particular the principles of impartiality, *neutrality* and non-discrimination.

Justification:

There is a need to include humanitarian aid policy objectives in the Constitution, primarily building upon the community method and procedures. Humanitarian assistance should be carried out in a neutral and impartial way. If the principles of neutrality and impartiality are not met there is a risk of undermining the very foundation of humanitarian aid. These principles are key to a successful delivery of humanitarian aid under safe conditions for relief workers.
